NOTES FOR PERSONAL & SMALL GROUP STUDY

1 KEEPING IT REAL

What are your thoughts if someone says to you, "I see Jesus all through the Old Testament?"

2 LOOK AT THE BOOK

In Genesis 18, Abraham has an encounter with the Lord when three visitors approach him. How do you see Jesus reflected in this interaction?

3

What hints of the coming of Jesus do you see in the following passages: Job 9:33-34, 14:14-17, 16:19-21, and 19:25-27. How does Job's faith compare to our New Testament faith in Jesus?

4 TAKING IT FURTHER

Abraham and Job knew God by experience as they walked with Him through lives of blessing and suffering, certainty and doubt. How are you learning to walk with God through the challenges of your life?
