

# WANTS VS NEEDS

# GOD...

What's the difference between wanting something and needing something?

When we need something, we can't live without it.

Let's see if you can tell the difference between things we need and things we want.

## SUPPLIES:

- 1 set of NEED & WANT picture cards per family
- NEED & WANT cards – 1 set per child

## DIRECTIONS:

1. Select one person to LEAD the activity.
2. Activity LEAD will choose one card from the NEED & WANT picture card set and hold it up for everyone to see
3. Participants will decide whether the card shows something that is a need or a want and will hold up the applicable card (NEED or WANT)

---

## RELATE:

Needs are something that we can't live without. There are some things that we need every day. There are other things that we would really like to have, but we can live without. We call these wants.

God promises to provide what we need.  
What are some things that you and your family need?
